Breakfast and after school clubs

To help our breakfast and after school clubs run as smoothly as possible and to avoid any disruption to your routine, we ask that parents regularly check their balance and top up when necessary. All accounts should have sufficient funds before a child attends a session.

To ensure fairness for all our families and the smooth operation of the clubs, we may be unable to accommodate children if their account runs into a negative balance.

Swift Kitchen

Don't forget to order your child's school lunch before 9:30 AM each day. Log on to swift kitchen and get your orders in for the whole week ahead! Please contact the office if you still need the code to log-in.

Attendance

Dream Believe Achieve

If you are just 10 minutes late to school every day, it means that you are missing the equivalent of one lesson every week.

Attendance and being on time to school is so very important.

If your child is not in school, they will miss gaps in their learning.
If your child arrives late it disrupts learning.

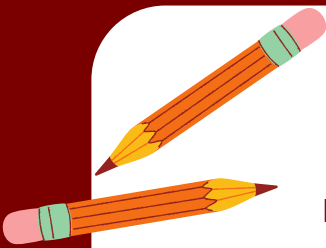

Our attendance target is 97%. If your attendance is at 90% -

- What you miss each year -
- 20 days of lessons
 - 100 hours of learning

- What you miss over 4 years -
- 80 days of lessons
 - 400 hours of learning
