Attendance

Dream Believe Achieve

If you are just 10 minutes late to school every day, it means that you are missing the equivalent of one lesson every week.

Attendance and being on time to school is so very important.

If your child is not in school, they will miss gaps in their learning.
If your child arrives late it disrupts learning.

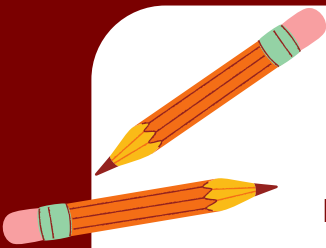

Our attendance target is 97%. If your attendance is at 90% -

- What you miss each year -
- 20 days of lessons
 - 100 hours of learning

- What you miss over 4 years -
- 80 days of lessons
 - 400 hours of learning
